

General Notes
The information depicted on the map represents the results of surveys made on the date indicated and can only be considered as indicating the general condition at that time. Unless otherwise noted on this map, all depths and soundings are in feet and referred to the International Great Lakes Datum 1985 (I.G.L.D. 1985) and all horizontal positions are referred to North American Datum 1983 (NAD83). See the Site Specific Notes area for specific datum information. To view a color version of this map, point a web browser to <http://www.lib.usace.army.mil/Divisions/Survey/Harbor/>. This drawing was prepared using a CAD system. Scaling may be distorted.
